Symptoms of Novel Corona Virus infection can include any of the following:

- Fever
- Cough
- Shortness of breath
- Difficulty breathing

If at any time you develop symptoms, refer to the **Staff Novel Corona Virus Close Contact information Leaflet** enclosed.

As per the information leaflet, do not attend your GP including their out-of-hours/on-call service. **Do not attend** your local Emergency Department unless told to do so by Public Health or the Occupational Health Department. Immediately put on one of the surgical masks provided in this pack and **isolate yourself** from others (for example stay in a different room from the rest of your family with the door closed). Once you are isolated from others you may remove the surgical mask. If you need to come in contact with other people for any reason **please put on a surgical mask before contact**.

You should phone the **Occupational Health Department during the office hours set out below** at the number below and identify yourself as a **symptomatic close contact** of the Novel Corona Virus. Outside of these hours you should phone Public Health see number below.

Contact Details:

- Occupational Health Department Beaumont Hospital 08:30hrs – 16:30hrs 01-8093273
- Public Health Out of Hours 01-6352145
