

Beaumont Hospital is one of the **largest public teaching hospitals in Ireland** with 820 beds serving a population 290,000 in North Dublin / North east region.

Beaumont Hospital offers a range of **national specialties** including the national referral centre for neurosurgery, renal and pancreatic transplantation and cochlear implantation. Beaumont is the regional referral centre for neurology, ENT, gastroenterology and paediatrics. We also provide a neurosurgical and ENT paediatric service along with general medical and surgical specialities.

As part of the national cancer strategy 2006 we proudly became a **designated cancer centre** for symptomatic breast disease, Upper GI surgery, Colo-rectal surgery and radiotherapy.

Beaumont employs in the region of **3,000 staff**. As a modern **level 4** acute care facility, services are designed and delivered through a range of collaborations and across physical sites including St Joseph's hospital, Raheny, and the recently opened Community Nursing Unit .

Beaumont is an academic teaching hospital and is affiliated with **Dublin City University** and **Royal college of Surgeons in Ireland**.

We are pleased to offer a range of fully accredited nursing courses across a wide variety of specialist areas. Courses on offer include:

- **Postgraduate Diploma Programmes at Level 9** in gerontology, renal, coronary care, oncology, neurosciences, intensive care, emergency department and operating theatre nursing.
- **Stand alone modules at Level 8 or 9** in heart failure, breast disease, colorectal, haematology, urology, haemodialysis and new for next year, acute coronary syndrome.
- **Specialist practice programmes** in neurosciences, intensive care, medical / surgical nursing and oncology.

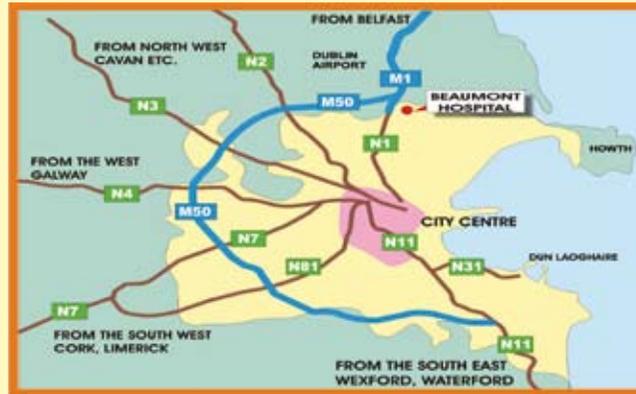

Delivered in conjunction with our **academic partners**, these programmes are offered at either Level 8 (stand-alone) or Level 9 (stand-alone and post-graduate diploma) on the National Framework of Qualifications.

There are also a **wide variety of in-house educational opportunities** to choose from including the 6 month Specialist Practice Programmes; individual study days covering anything from academic writing to ECG interpretation; mandatory training; Advanced Cardiac Life Support and practice innovation updates to name but a few.

Never worked in Beaumont Hospital before? Our **comprehensive induction programme** has you covered!!

Beaumont is located approximately 6km from Dublin's city centre and is accessible by bus and train. It is also located very close to Dublin Airport. Dublin is internationally known for its hospitality, friendliness and 'craic'.

Beaumont already has a diverse range of staff from many different countries and cultures.

We look forward to welcoming you on board.
