Susan Mitchell

Re: FOI request - Decision Letter FOI/3927/18

Dear Ms Mitchell,

I refer to the request which you have made under the Freedom of Information Act, 2014 for records held by Beaumont Hospital and our subsequent telephone call on the 16th November 2018.

Decision

I, have now made a final decision to part-grant your request on the 22nd November 2018. Accordingly, a copy of the record relating to parts 1-6 of your request is enclosed. This record illustrates the number of new patients, broken down in the age brackets requested, who attended Beaumont Hospital's Breast Centre between 2010-2017 and the total new primary breast cancers presented at multidisciplinary meetings in Beaumont Hospital between 2010-2017.

I am sorry to inform you that, in accordance with section 15 (1) (a) of the FOI Act, 2014 we are unable to satisfy part 7-10 of your request as this information is not available. The symptomatic breast service in Beaumont Hospital is not a screening programme.

Publication

Details of all non-personal FOI requests will be recorded on an FOI disclosure log which will be published on the Beaumont Hospital website in due course.

Rights of Review

In the event that you are not happy with this decision, you may seek a review by writing to the Freedom of Information Unit, Beaumont Hospital, Dublin 9 seeking an internal review of the matter and referring to or enclosing a copy of this letter. Please note that a fee applies for such a review. The level of this has been set at €30 and payment should be made by way of bank draft, money order or postal order, and made payable to Beaumont Hospital. You should submit this within 4 weeks from the date of this notification, where a day is defined as a working day excluding the weekend and public holidays. The making of a late appeal may

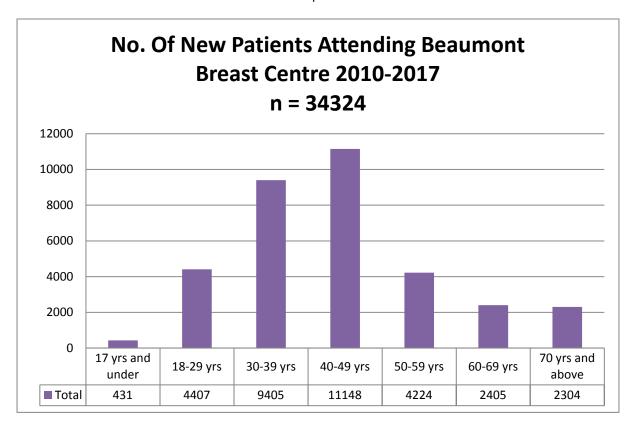

be permitted in appropriate circumstances. The review will involve a complete reconsideration of the matter by a more senior member of the staff of this body and the decision will be communicated to you within 3 weeks.

I may be contacted by telephone on 01 809 2866 in order to answer any questions you may have, and to assist you generally in this matter.

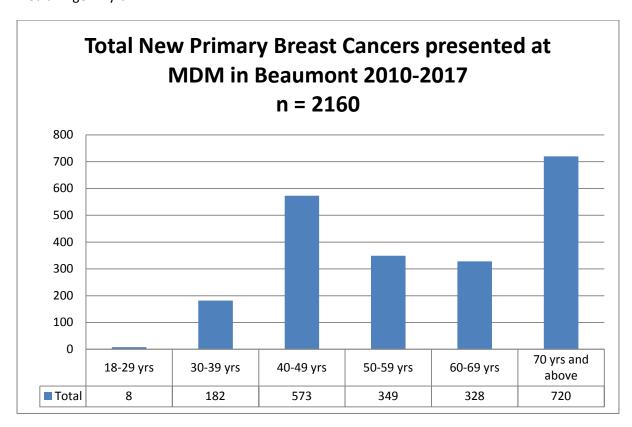

Yours sincerely,

FOI Officer

Median Age: 42yrs

Median Age: 59 yrs

Please note that some of these patients would not have come through our clinic but were referred to us after diagnosis of breast cancer from other institutions. The above graphs also include some male patients.
