“under the management of Beaumont Hospital”

17<sup>th</sup> December 2025

Dear Family Member,

I would like to update you on a few new management changes during 2025. In May I took up the post of interim Director of Nursing. I have met some of you and look forward to meeting you all. We have a new Assistant Director of Nursing Elena Pal and a new Consultant Geriatrician Dr Shelina Seebah.

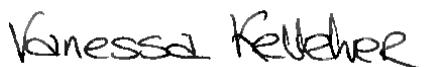

I also wanted to advise you that on 17<sup>th</sup> September the RCNU underwent an unannounced HIQA inspection. This report was published on 9<sup>th</sup> December and I am delighted to inform you that the RCNU has received a very positive report, with no non-compliances in any area, which reiterates the high standard of care being provided to the Residents at the RCNU.

A copy of this report is attached for your perusal.

If you have any queries or concerns please let me know.

As we move forward into a new year I would like to take this opportunity to wish you all a very happy Christmas and all the best for 2026.

Yours faithfully
